SRI M. MALLAPPA.—If he wants any expansion, this is the policy adopted by the Government. Government will also have to look to the interests of rural areas, where hospitals will have to be established and buildings provided. K.G F. is a town and I don't think there is any difficulty for the hon. member to motivate the public to collect considerable amount of money for expansion.

SRI C. M. ARUMUGHAM.—What would be the contribution of the Government ?

SRI M. MALLAPPA.—50 per cent as it is being done.

Nationalisation of Aided Schools

362. SRI T. B. JAYACHANDRA (Kallambella).—Will the Minister for Education be pleased to state :—

whether the Government intend to nationalise all Aided Schools in the State ?

SRI B. SUBBAYYA SHETTY (Minister for Education).—

No such decision has been taken by Government.

ಶ್ರೀ ಟಿ. ಬಿ. ಜಯಚಂದ್ರ.—"ರಾಜ್ಯದಲ್ಲಿರುವ ಎಲ್ಲಾ ಸಹಾಯ ಪೋಷಿತ ಶಾಲೆಗಳನ್ನು ರಾಷ್ಟ್ರೀಕರಣಗೊಳಿಸಲು ಸರ್ಕಾರದವರು ಉದ್ದೇಶಿಸಿರುವರೆ" ಎಂಬ ನನ್ನ ಪ್ರಶ್ನೆಗೆ ಉತ್ತರವಾಗಿ "ಅಂತಹ ತೀರ್ಮಾನ ಏನೂ ಇಲ್ಲ" ಎಂಬುದಾಗಿ ತಮ್ಮ ಉತ್ತರದಲ್ಲಿ ತಿಳಿಸಿದ್ದೀರಿ. ೫-೬ ತಿಂಗಳ ಹಿಂದೆ ಪತ್ರಿಕೆಗಳಲ್ಲಿ ಪ್ರಕಟವಾಗಿರುವಂತೆ ಸಹಾಯ ಪೋಷಿತ ಶಾಲೆಗಳನ್ನು ರಾಷ್ಟ್ರೀಕರಣ ಮಾಡಲು ಮಂಥಾವ್ವ ಸರ್ಕಾರದ ಗಮನದಲ್ಲಿದೆ, ಆದನ್ನು ಶೀಘ್ರವಾಗಿ ಮಾಡುತ್ತೇವೆಂದು ಪತ್ರಿಕೆಗಳಲ್ಲಿ ವರದಿಯಾಗಿದೆ. ಇದರ ಬಗ್ಗೆ ಸರ್ಕಾರದ ಒಂದು ತೀರ್ಮಾನ ಇಲ್ಲದೆ ಪತ್ರಿಕೆಗಳಲ್ಲಿ ಬರುವುದಕ್ಕೆ ಸಾಧ್ಯವೇ ?

† ಶ್ರೀ ಬಿ. ಸುಬ್ಬಯ್ಯ ಶೆಟ್ಟಿ.—ಪತ್ರಿಕೆಗಳಲ್ಲಿ ಈ ಒಂದು ವಿಚಾರ ಬಂದಿದೆ ಎಂಬುದಾಗಿ ಮಾನ್ಯ ಸದಸ್ಯರು ಹೇಳುತ್ತಿದ್ದಾರೆ. ಅದು ನನಗೆ ಗೊತ್ತಿಲ್ಲ. ಆದರೆ ಸರ್ಕಾರ ಇದರ ಬಗ್ಗೆ ಇದುವರೆಗೂ ಯಾವುದೇ ತೀರ್ಮಾನವನ್ನು ತೆಗೆದುಕೊಂಡಿಲ್ಲ.

SRI G. B. SHANKAR RAO.—I want to know whether you are thinking of nationalising these or whether you have given up the idea of nationalisation once and for all. I would like to know how the Government is thinking on this issue and how they would solve this problem. There is soreness regarding management of some of these aided schools.

1.30 P. M.

SRI B. SUBBAIAH SHETTY.—That soreness, which the hon. Member has said, is still there. When there are certain complaints, that soreness does not go unless those complaints are solved.

But regarding nationalisation, yesterday I was telling in the other House. Sir, Article 30 of the Constitution gives certain protections to the minority institutions and no minority institution can be nationalised. Minority institutions in the sense either religious minority or the lingustic minority. So, the question of wholesale nationalisation does not come at all.

Now the next question which the hon. Member has asked was about the certain irregularities in the private institutions and all that. As I have already told in this August House in the last Session we have entrusted the work of drafting an Education Bill to a Committee and they are drafting the Bill and by the third week or by the end of the next month, they will be submitting the Bill so that we could have some power to effectively check any mal-practices being practised by the private schools.

SRI M. VEERAPPA MOILEY.— The Hon. Minister was telling that a Committee was appointed with Dr. Deve Gowda. In certain areas there are abundant schools and in certain other areas, there are no schools. In addition to this, there are multiple problems confronted in this educational system. Whether the Government has made any reference to Dr. Deve Gowda Committee relating to the structural basic changes to be envisaged hither in the matter of nationalisation of schools and colleges or some social control to be imposed on the educational institutions

SRI B. SUBBAIAH SHETTY.— The sole idea, as I have already said is to have the controls over the schools. Definetely, that is the very idea in having the Bill. I don't know what are the objec ives and all that which the hon. Member has got in his mind. Now, at present we are only having what is known as the grant-in-aid Code. It is only an executive order. So, we don't have the sufficiant statutory backing. So, we must have the statutory backing. Only with the statutory backing, we would be able to control the working of the institutions so that it should serve the social purpose. So, with that idea only. we are bringing this Education Bill and the Education Bill will be a very comprehensive Bill. It does not pertains to certain subjects of Education only. The Education Bill which we are envisaging is a comprehensive Education Bill which would go into the entire question of Education as it is now conceived in this State and it will cover all aspects.

SRI WILLIAM ST. JOHN SINCLIAR MORLEY.— Little while ago, the Hon. Minister for Education has made a statement that in accordance with Article 30 of the Constitution, minority run institutions and linguistic run institution are protected. I would like to ask a clarification on one point. Whether these institution aided or unaided will still be protected by this Article?

SRI B. SUBBAIAH SHETTY.— As per the Article, we have to protect So, the provisions of the Article 30, we will unhesitatintly give effect to.

SRI B. V. KAKKILAYA.— Now that the whole matter is before Dr. Deve Gowda's Committee. Does it not amount to pre judging the whole issue by saying that the Government is not contemplating to nationalise these schools? Sir, now nobody knows that recommendation that Committee is going to make. When that as the case, the Hon. Minister has stated that the Government is not contemplating to nationalise the schools. Is it not pre-judging the decisions or the recommendations of that Committee ?

Secondly, even under, the Constitution, Primary and Secondary Education is the entire responsibility of the State Government. The private agencies are allowed to impart this education but most of them are getting the aid from the Government. Will the Government again reconsider the whole thing and take steps to see that the entire primary and secondary education comes within the complete control of the State Government?

SRI B. SUBBAIAH SHETTY.— It is rather too big a question in the sence that I have been asked to give the policy statement on this but nevertheless, what the reply which is being given to-day pertains to things as it stands to-day only. I was telling about the position of the Government as on to-day, I am not talking about the future The hon. Member has put the question : Whether the Government intend to nationalise aided schools To-day, we have no idea of nationalising at all. I am not binding the subsequent generations by my statement. Not at all About the control and all those things about which the hon. Member has said, I would like to say that it is for the Committee to examine and to give us the report. When the Committee gives the report, definitely, it will be discussed in this August House and all the hon.Members could give their suggestions.

† ಶ್ರೀ ವಿ. ಎ. ಮುತ್ತಿಕಟ್ಟಿ.—ಖಾಸಗೀ ಮ್ಯಾನೇಜ್‌ಮೆಂಟನವರು ನಡೆಸುತ್ತಿರುವ ಶಾಲೆಗಳನ್ನು ಅವರಾಗಿಯೆ ಕೊಡಲು ಮುಂದೆ ಬಂದರೆ ತೆಗೆದುಕೊಳ್ಳುತ್ತೀರಾ?

SRI P. SUBBAIAH SHETTY.—Not necessarily.

SRI M. VEERAPPA MOILEY.—Whether the Government would think of appointi g the very team to look into to the basic problem of nationalisation and social control? I don't know whether this Committee is going into this question in depth i.e., whether this nationalisation and social control etc , is permissible under the Articles of the Constitution or not etc., If the above issues are not referred to that Committee, then the Education Bill which the Hon. Minister is proposed to bring will be very inaccurate and I don't think that will be the result of the indepth study of these basic questions. Will the Hon. Minister enlighten us on this matter.

SRI B. SUBBAIAH SHETTY.—What I learn is that the Committee has been appointed for making an indepth study. They have to elicit information from all sections of the society who are interested in this Educational field and only after that, they will be drafting this Bill. So, about other objectives and all that, I don't know what type of objective the hon. Member has got in his mind. If it is spelled out, definitely, we could examine in what way we could formulate the policy and all that.
